The Code of Behaviour details:

1. The standards of behaviour that shall be observed by each pupil attending the school;
2. The whole school approach in promoting positive behaviour;
3. The measures that shall be taken when a pupil fails or refuses to observe those standards;
4. The procedures to be followed before a pupil may be suspended or expelled from the school concerned;
5. The grounds for removing a suspension imposed in relation to a pupil
6. The school's Anti-Bullying Policy; and

The Code of Behaviour of *Ballyea N.S.* has been developed in accordance with '*Developing a Code of Behaviour: Guidelines for Schools*', National Educational Welfare Board, 2008.

POLICY FORMULATION

In formulating this policy the Board of Management completed the following steps:

- I. Parents and Staff were informed that an initial draft of the Code of Behaviour was available and they were invited to make submissions on the content of the code within a specified timeframe.
- II. Class teachers were requested to discuss the topic of "rules" with their classes and submit a list of pupils' suggestions to the Principal. Senior classes were also asked to do specific lessons on the subject of rules (Walk Tall programme)
- III. The initial draft of the Code of Behaviour was reviewed and where appropriate amended in line with the feedback received.
- IV. The finalised draft of the policy was submitted for the Patron's Approval.

AIMS & OBJECTIVES OF THE CODE

The aims and objectives of the code are:

- To allow the school to function in an orderly way where children can make progress in all aspects of their development
- To create an atmosphere of respect, tolerance and consideration for others
- To promote positive behaviour and self-discipline, recognising the differences between children and the need to accommodate these differences
- To ensure the safety and well being of all members of the school community
- To assist school staff, parents and pupils in understanding the systems and procedures that form part of the code of behaviour and to seek their co-operation in the application of these procedures
- To ensure that the system of rules, rewards, and sanctions are implemented in a fair and consistent manner throughout the school.

WHOLE SCHOOL APPROACH

The Board of Management recognises the importance of creating consistent values, policies, practices and relationships that support the Code of Behaviour. Such an environment may only be formed by involving the entire school community and in this respect the Board acknowledges the importance of the roles played by the principal, teachers, ancillary staff and parents in the review and operation of the Code.

- attend school on a regular basis and to be punctual. School starting time is 09.20. Classes for infants end at 14.00 and school finishing time for all others is 15.00. No responsibility is accepted for pupils outside of these times. Pupils are expected to obey the bell-calls to signal the beginning and end of class times and enter and leave the school in an orderly fashion

Staff

It is the Principal's responsibility to ensure the school's Code of Behaviour is administered in a manner that is consistent and fair to all pupils. However each staff member has responsibility for the maintenance of discipline within common areas of the school.

Teaching staff are specifically responsible for the management of behaviour within their own class.

They will:

- Discuss the Code of Behaviour with their class in an age appropriate manner at the beginning of the school year.
- Ensure the rules are displayed in the classroom.
- Encourage self-discipline and positive behaviour.
- Ensure there is an appropriate level of supervision at all times.
- Implement the reward/sanction scheme in a fair and consistent manner.
- Keep a written record of all incidents of continued, serious or gross misconduct. This record will indicate the advice and/or warnings given to the child on the misbehaviour and, the consequences of its repetition.
- Inform pupils when instances of misbehaviour on their part are being recorded.
- Report repeated instances of serious misbehaviour to the Principal.

Parents/Guardians

The school and home do not and should not operate in isolation, therefore the co-operation and support of Parents/Guardians are essential to effectively implement this code. Parents/guardians play a crucial role in shaping attitudes in their children which produce positive behaviour in school and they can assist the school by encouraging their children to abide by the school rules, encouraging punctuality and regular attendance and by ensuring that homework is given due time and effort.

Should parents/guardians be concerned about any aspect of their child's behaviour, they are welcome to make an appointment to discuss their concerns.

In cases of an identified pattern of misbehaviour parents will be invited to participate in the intervention process.

PROMOTING POSITIVE BEHAVIOUR

As a general rule the school will endeavor to create an environment where positive behaviour is reinforced through praise and reward. School staff will use encouraging language and gestures, both in class and around the school, so that positive behaviour is instantly recognised and positively rewarded. Special attention will be paid to pupils who have previously been associated with poor behaviour so that not only good behaviour but also improvement in behaviour is acknowledged. Colour coded diaries will be used in each classroom to record both good and bad behaviour. A red diary will be used to record incidents of inappropriate behaviour and a green one to record an improvement in behaviour or to denote good behaviour.

A reward scheme for promoting positive behaviour will be used. Such rewards will include;

- 'Congratulations' and 'Good News' messages sent to parent(s)/guardian(s)
- Personalised letters to parent(s)/guardian(s)
- A comment in a pupil's exercise book
- Special privileges
- A homework-free night
- Posting work in public areas of the school

- Send students to colleagues for praise/ask others to come into classroom and praise
- Allowed to sit with friend for a period
- Points system for groups within the larger class unit
- Golden Time

INAPPROPRIATE BEHAVIOUR

In order to establish a common understanding and consistent response the Code of Behaviour classifies misbehaviour into three levels based on the degree of disruption caused by the misconduct. The Code also specifies the disciplinary actions and supportive interventions that will be employed.

Level One

Level 1: Behaviours

Level 1 behaviours are those that interfere with the orderly learning environment of the school, classroom, and common areas. Students learn through their mistakes. To this extent, responses to the daily behaviours, which occur in school, will be developmentally appropriate, instructive and positive. Children will be taught what is expected and how they should behave. Listed below are some examples of the types of Behaviour that are included in Level 1.

- Failure to prepare for class, as defined by individual teachers
- Running in the hallways
- Disturbing the work or play of others
- Disrespectful language, tone, or manner
- Ignoring staff requests

Level 1: Disciplinary Actions

Consequences for Level 1 behaviour are dependent upon the severity and frequency of the specific behaviour. Teachers will discipline students at level 1. Some examples of Level 1 responses are:

- Verbal reprimand/reminder(s)
- Reinforcement of alternative positive behaviour
- Temporary separation from peers, friends or others
- Prescribing additional work
- Loss of privileges
- Parent contact
- Referral to Principal/Deputy Principal
- Behaviour contract

Level 1 Supportive Interventions

Listed below are some examples of Level 1 supportive actions:

- Classroom-based interventions, such as Open Circle or class meetings, with the option of informal consultation, (e.g. with parent(s)/guardian(s) or staff members)
- Discussion of behaviour with the child
- Informal notes regarding incident/intervention/date. This information would be useful should a problem persist.

Level Two

Level 2: Behaviours

Level 2 behaviours are those that seriously interfere with the orderly environment of the school and are potentially dangerous to the safety and well being of the students and staff. Listed below are some examples of the types of behaviour that are included in Level 2.

- Repeated instances of Level 1 behaviour which have not been modified by intervention
- Behaviour which is dangerous to self or others (e.g. shoving, pushing, hitting)
- Intentionally damaging school or personal property
- Breaking or entering the school after normal school hours
- Constantly disrupting class
- Telling lies
- Stealing
- Cheating
- Use of profanity
- Derogatory reference to another person's race, gender, religion, physical condition, disability, or ethnic origin
- Disrespectful language or behaviour toward an adult
- Possession or use of dangerous toys or sporting equipment (e.g. bow and arrows, any kind of knives, etc.)
- Students absenting themselves from school without permission of parents or teachers

Level 2: Disciplinary Actions

The disciplining of students for Level 2 behaviour is dependent upon the severity and frequency of the specific behaviour and the age and stage of development of the offender. The disciplinary actions at

Level 2 may involve the Principal, and may include the formal notification of parents. Staff members will document Level 2 behaviours in the School Incident Book when deemed necessary. Some examples of Level 2 responses are:

- In school supervised detention
- Student writes account of incident which has to be signed by parent
- Note in homework diary to be signed by parent
- Sending of student to another teacher
- Denial of participation in some class activity
- Report submitted to the Board of Management
- Meeting with parent(s)/guardian(s)
- Suspension from school of one to five days, depending on the severity of the behaviour
- Implementation of extensive behaviour management plan

Level 2: Supportive Interventions

Listed below are some examples of Level 2 supportive actions:

- Team conference to include classroom teacher, other involved staff, Deputy Principal or Principal.
- Request for assistance from external agencies such as the National Educational Psychological Service, Health Service Executive Community Services, the National Behavioural Support Service, Child and Adolescent Mental Health Services, National Council for Special Education.
- Referral of a Child displaying behavioural problems for psychological assessment (with the parent(s)/guardian(s) consent).

Level Three

Level 3: Behaviours

Level 3 behaviours are considered the most serious violations. These behaviours endanger the immediate health, safety and personal well being of the pupils and staff of the school. They represent a direct threat to the orderly operation of the school environment. Situations, which include illegal activity, may result in contact with the Garda Síochána after parental involvement. Listed below are some examples of the types of behaviour that are included in Level 3.

- Repeated or serious instances of Level 2 behaviour which have not been modified by intervention
- Setting fires
- Intentional possession or use of weapons
- Violent fighting or intentionally causing physical harm to others
- Discriminatory or prejudicial activities or actions toward another person or group involving race, gender, religion, physical condition, handicap, or ethnic origin

Level 3: Disciplinary Actions

Behaviour at Level 3 may involve suspension from school. The length of the suspension will depend

upon the severity and frequency of the specific Behaviour. Specific information about due process and procedures in respect of the issuing of a suspension is contained in this document. Level 3 responses:

- **Suspension from school for one to five days:**
This response will occur with the first incidence of Level 3 behaviour or Level 2 behaviour of significant severity. The Principal following due process and procedure, can issue a suspension.
- **Suspension from school for five to ten days:**
This response will occur with the repeated incidence of Level 3 behaviour or a severe expression of this behaviour. A suspension of this magnitude will only be issued with the approval of the Board of Management.
- **Expulsion:**
Repeated incidents of Level 3 behaviour can result in a pupil being expelled.

PROCEDURES FOR SUSPENSIONS & EXPULSIONS

Suspension

Definition of Suspension:

'requiring the student to absent himself/herself from the school for a specified, limited period of school days'

An 'Immediate Suspension' may be for a period of one to three school days depending on the severity of the specific behaviour. In exceptional circumstances and with the approval of the Chairperson of the Board the suspension may be for a longer period but in any event will not exceed 5 school days.

The Board retains its authority to suspend a student in all other cases/circumstances.

Immediate Suspension and Automatic Suspension

An 'Immediate Suspension' will be deemed to be necessary where after a preliminary investigation the Principal reaches the determination that the continued presence of the pupil in the school at the time would represent a serious threat to the safety and wellbeing of pupils or staff of the school. An 'Immediate Suspension' may be for a period of one to three school days depending on the severity of the specific Behaviour, in exceptional circumstances and with the approval of the Chairperson of the Board the suspension may be for a longer period but in any event will not exceed 5 school days.

- the reasons for the suspension
- any study programme to be followed
- the arrangements for returning to school, including any commitments to be entered into by the pupil and the parent(s)/guardian(s).

The Board of Management acknowledges that the decision to impose either an Immediate or Automatic Suspension does not remove the duty to follow due process and fair procedures. In this regard, and following a formal investigation, to be completed no later than 2 school days after the incident the Board will invite the pupil and his/her parent(s)/guardian(s) to a meeting to discuss;

- the circumstances surrounding the suspension,
- interventions to prevent a reoccurrence of such misconduct.

The Board of Management of Ballyea N.S. acknowledges the fundamental importance of impartiality in the investigation process. In this regard the following undertaking is given;

Where a decision to suspend has been made the Chairperson of the Board of Management will provide written notification to the parent(s)/guardian(s) and the pupil of the decision. The letter will confirm:

- the duration of the suspension and the dates on which the suspension will begin and end
- the reasons for the suspension
- any study programme to be followed
- the arrangements for returning to school, including any commitments to be entered into by the pupil and the parent(s)/guardian(s)

In accordance with the requirements of the Education (Welfare) Act 2000 and the code of behaviour guidelines issued by the NEWB, the Board of Management of Ballyea NS has adopted the following anti-bullying policy within the framework of the school's overall code of behaviour. This policy fully complies with the requirements of the *Anti-Bullying Procedures for Primary and Post-Primary Schools* which were published in September 2013.

2. The Board of Management recognises the very serious nature of bullying and the negative impact that it can have on the lives of pupils and is therefore fully committed to the following key principles of best practice in preventing and tackling bullying behaviour:
 - A positive school culture and climate which-
 - is welcoming of difference and diversity and is based on inclusivity;
 - encourages pupils to disclose and discuss incidents of bullying behaviour in a non-threatening environment; and
 - promotes respectful relationships across the school community;
 - Effective leadership;
 - A school-wide approach;
 - A shared understanding of what bullying is and its impact;
 - Implementation of education and prevention strategies (including awareness raising measures) that-
 - build empathy, respect and resilience in pupils; and
 - explicitly address the issues of cyber-bullying and identity-based bullying including in particular, homophobic and transphobic bullying.
 - Effective supervision and monitoring of pupils;
 - Supports for staff;
 - Consistent recording, investigation and follow up of bullying behaviour (including use of established intervention strategies); and
 - On-going evaluation of the effectiveness of the anti-bullying policy.

3. In accordance with the *Anti-Bullying Procedures for Primary and Post-Primary Schools* bullying is defined as follows:

Bullying is unwanted negative behaviour, verbal, psychological or physical conducted, by an individual or group against another person (or persons) and which is repeated over time.

The following types of bullying behaviour are included in the definition of bullying:

- deliberate exclusion, malicious gossip and other forms of relational bullying,
- cyber-bullying and
- identity-based bullying such as homophobic bullying, racist bullying, bullying based on a person's membership of the Traveller community and bullying of those with disabilities or special educational needs.

Isolated or once-off incidents of intentional negative behaviour, including a once-off offensive or hurtful text message or other private messaging, do not fall within the definition of bullying and should be dealt with, as appropriate, in accordance with the school's code of behaviour.

However, in the context of this policy, placing a once-off offensive or hurtful public message, image or statement on a social network site or other public forum where that message, image or statement can be viewed and/or repeated by other people will be regarded as bullying behaviour.

Negative behaviour that does not meet this definition of bullying will be dealt with in accordance with the school's code of behaviour.

Additional information on different types of bullying is set out in Section 2 of the *Anti-Bullying Procedures for Primary and Post-Primary Schools*.

4. The relevant teacher(s) for investigating and dealing with bullying is:

Each class teacher is responsible for dealing with allegations of and investigations into bullying within the confines of their own classroom.

The principal shall be informed of any instances of bullying.

All teachers who may encounter incidents of bullying are responsible for investigating and reporting.

5. The education and prevention strategies (including strategies specifically aimed at cyber-bullying and identity-based bullying including in particular, homophobic and transphobic bullying) that will be used by the school are as follows (see Section 6.5 of the *Anti-Bullying Procedures for Primary and Post-Primary Schools*):

School-wide approach

- A school-wide approach to the fostering of respect for all members of the school community.
- The promotion of the value of diversity to address issues of prejudice and stereotyping, and highlight the unacceptability of bullying behaviour.
- The fostering and enhancing of the self-esteem of all our pupils through both curricular and extracurricular activities. Pupils will be provided with opportunities to develop a positive sense of self-worth through formal and informal interactions.
- Whole staff professional development on bullying to ensure that all staff develops an awareness of what bullying is, how it impacts on pupils' lives and the need to respond to it-prevention and intervention.
- School wide awareness raising and training on all aspects of bullying, to include pupils, parent(s)/guardian(s) and the wider school community.

Non-teaching and ancillary staff will be encouraged to be vigilant and report issues to relevant teachers. Supervision will also apply to monitoring student use of communication technology within the school.
- The school's anti-bullying policy is discussed with pupils and all parent(s)/guardian(s) of incoming pupils are given a copy as part of the Code of Behaviour.

- Encourage a culture of telling, with particular emphasis on the importance of bystanders. In that way pupils will gain confidence in 'telling'. It should be made clear to all pupils that when they report incidents of bullying they are not considered to be telling tales but are behaving responsibly.
- Ensuring that pupils know who to tell and how to tell
- Direct approach to teacher at an appropriate time, for example after class.
- Hand note up with homework.
- Make a phone call to the school or to a trusted teacher in the school.
- Anti-bully or Niggle box? Worry Box

- Administer a confidential questionnaire to pupils in senior classes.
- Ensure bystanders understand the importance of telling if they witness or know that bullying is taking place.

6. The school's procedures for investigation, follow-up and recording of bullying behaviour and the established intervention strategies used by the school for dealing with cases of bullying behaviour are as follows (see Section 6.8 of the *Anti-Bullying Procedures for Primary and Post-Primary Schools*) :

Procedures for Investigating and Dealing with Bullying

The primary aim in investigating and dealing with bullying is to resolve any issues and to restore, as far as is practicable, the relationships of the parties involved (rather than to apportion blame)

Reporting bullying behaviour

- Any pupil or parent(s)/guardian(s) may bring a bullying incident to the relevant teacher in the school.
- A suspicion of bullying should be raised with the relevant class teacher first and then if necessary with the Principal.
- Parents are encouraged to make an appointment to speak with relevant class teacher if they suspect that their child is being bullied.
- All reports, including anonymous reports of bullying, will be investigated and dealt with by the relevant teacher.
- Teaching and non-teaching staff such as secretaries, special needs assistants (SNAs), bus escorts, caretakers, cleaners must report any incidents of bullying behaviour witnessed by them, or mentioned to them, to the relevant teacher;

Investigating and dealing with incidents:

- In investigating and dealing with bullying, the relevant teacher will exercise his/her **professional judgement** to determine whether bullying has occurred and how best the situation might be resolved;
- Parent(s)/guardian(s) and pupils are required to co-operate with any investigation and assist the school in resolving any issues and restoring, as far as is practicable, the relationships of the parties involved as quickly as possible;
- Teachers should take a calm, unemotional problem-solving approach;
- Where possible, incidents should be investigated outside the classroom situation to ensure the privacy of all involved;
- All interviews should be conducted with sensitivity and with due regard to the rights of all pupils concerned. Pupils who are not directly involved can also provide very useful information in this way;
- When analysing incidents of bullying behaviour, the relevant teacher should seek answers to questions of what, where, when, who and why. This should be done in a calm manner, setting an example in dealing effectively with a conflict in a non-aggressive manner;
- Questions to be asked when responding to challenging behaviour include:
 - What happened?
 - What were you thinking at the time?
 - What have your thoughts been since?
 - Who has been affected by what you did?
 - In what way have they been affected?
 - What do you think needs to happen next?

- Questions to be asked when responding to those harmed include:
 - What happened?
 - What were you thinking at the time?
 - What have your thoughts been since?
 - How has this affected you / others?
 - What has been the hardest thing for you?
- If a group is involved, each member should be interviewed individually at first. Thereafter, all those involved should be met as a group. At the group meeting, each member should be asked for his/her account of what happened to ensure that everyone in the group is clear about each other's statements;
- Each member of a group should be supported through the possible pressures that may face them from the other members of the group after the interview by the teacher;

It may also be appropriate or helpful to ask those involved to write down their account of the incident(s)

- In cases where it has been determined by the relevant teacher that bullying behaviour has occurred, the parent(s)/guardian(s) of the parties involved may be contacted at an early stage to inform them of the matter and explain the actions being taken (by reference to the school policy). The school will afford parent(s)/guardian(s) the opportunity of discussing ways in which they can reinforce or support the actions being taken by the school and the supports provided to the pupils;
- Where the relevant teacher has determined that a pupil has been engaged in bullying behaviour, it should be made clear to him/her how he/she is in breach of the school's anti-bullying policy and efforts should be made to try to get him/her to see the situation from the perspective of the pupil being bullied;
- It must also be made clear to all involved (each set of pupils and parent(s)/guardian(s)) that in any situation where disciplinary sanctions are required, this is a private matter between the pupil being disciplined, his or her parent(s)/guardian(s) and the school;

Follow up and recording

- In determining whether a bullying case has been adequately and appropriately addressed the relevant teacher must, as part of his/her **professional judgement**, take the following factors into account:
- Whether the bullying behaviour has ceased;
 - Whether any issues between the parties have been resolved as far as is practicable;
 - Whether the relationships between the parties have been restored as far as is practicable;
 - Any feedback received from the parties involved, their parent(s)/guardian(s) or the school Principal or Deputy Principal
- Follow-up meetings with the relevant parties involved should be arranged separately with a view to possibly bringing them together at a later date if the pupil who has been bullied is ready and agreeable.
- Where a parent(s)/guardian(s) is not satisfied that the school has dealt with a bullying case in accordance with these procedures, the parent(s)/guardian(s) must be referred, as appropriate, to the school's complaints procedures.

- In the event that a parent(s)/guardian(s) has exhausted the school's complaints procedures and is still not satisfied, the school must advise the parent(s)/guardian(s) of their right to make a complaint to the Ombudsman for Children.

Recording of bullying behaviour

- If it is established by the relevant teacher that bullying has occurred, the relevant teacher must keep appropriate written records which will assist his/her efforts to resolve the issues and restore, as far as is practicable, the relationships of the parties involved.
- The relevant teacher must use the recording template at **Appendix A** to record the bullying behaviour.
- When the recording template **Appendix A** is used, it must be retained by the relevant teacher in question and a copy maintained by the principal.
- The relevant teacher may consult with the Principal or Deputy Principal at any stage in relation to a case.

7. The school's programme of support for working with pupils affected by bullying is as follows (see Section 6.8 of the *Anti-Bullying Procedures for Primary and Post-Primary Schools*) :

- All in-school supports and opportunities will be provided for the pupils affected by bullying to participate in activities designed to raise their self-esteem, to develop friendships and social skills and build resilience e.g.
- SALT Conflict Resolution Programme
- Circle Time activities
- SPHE Programmes e.g. Walk Tall, Zippy's Friends,
- NEPS – Friends For Life, Incredible Years, Get Up. Stand Up etc.
- Barnardo's Roots of Empathy programme
- Play / Art Therapy
- **The National Educational Psychological Service (NEPS)**
- If pupils require counselling or further supports the school will endeavour to liaise with the appropriate agencies to organise same. This may be for the pupil affected by bullying or involved in the bullying behaviour.
- Pupils should understand that there are no innocent bystanders and that all incidents of bullying behaviour must be reported to a relevant teacher.

8. Supervision and Monitoring of Pupils

The Board of Management confirms that appropriate supervision and monitoring policies and practices are in place to both prevent and deal with bullying behaviour and to facilitate early intervention where possible.

9. Prevention of Harassment

The Board of Management confirms that the school will, in accordance with its obligations under equality legislation, take all such steps that are reasonably practicable to prevent the sexual harassment of pupils or staff or the harassment of pupils or staff on any of the nine grounds specified i.e. gender including transgender, civil status, family status, sexual orientation, religion, age, disability, race and membership of the Traveller community.
